Tomáš Němec is a 24-year-old IT technician whose life is dominated by solving the murder of his half sister, Emilie Němec. Emilie was stabbed in 2013 and the killer was never brought to justice.

He is Czech. He started studying computing at college but never finished the course. He is allergic to shellfish. He has a severe phobia of water

Physically, Tomáš is in pretty good shape. He is average-height with light skin, red blond hair and blue eyes. Unusually, he has a prosthetic foot; a shark ate his.

He grew up in a working class neighbourhood. His mother left when he was young, leaving him with his father, who was a drunk.

He is currently single. His most recent romance was with a student called Eliška Musilová, who was the same age as him. They broke up because Eliška couldn't deal with Tomáš's obsession with Emilie's death.

Tomáš's best friend is an IT technician called Roman Svoboda. They are inseparable. He also hangs around with Miroslav Javorský and Soňa Šebková. They enjoy cycling together.
