

Enrique Whisnant

Although the cause of death was reported as pneumonia, Enrique, a 25-year-old semi-professional sports person, is convinced that his late girlfriend, Laura Wheeler, was murdered.

He is a British Christian. He started studying sports science at college but never finished the course.

Physically, Enrique is in pretty good shape. He is very short with dark skin, black hair and brown eyes.

He grew up in a working class neighbourhood. Having never really known his parents, he was raised in a series of foster homes.

He is currently single. His most recent romance was with a student called Laura Wheeler, who was the same age as him. Laura died in 2018. The papers reported the cause of death: 'pneumonia'

Enrique's best friend is a semi-professional sports person called Tatiana Graves. They are inseparable. He also hangs around with Kiaran Mathew and Jackson Rowe. They enjoy binge-watching boxed sets together.
